Security Policy

Secure Sockets Layering (SSL)

Your payment and personal information is always safe. Generationschoolphotography.com uses Secure Socket Layering (SSL) to encrypt your personal credit information, including your credit card number, before it travels over the Internet. Our Secure Sockets Layer (SSL) software is the industry standard and among the best software available today for secure commerce transactions. It encrypts all of your personal information, including credit card number, name, and address so that it cannot be read over the internet. You are protected under Federal Law if someone steals your credit card number; the law dictates that you are liable for an amount limited to \$50 no matter how much is charged to your account.

Multiparty Shared Access to Event Media

Your use and access to the Generationschoolphotography.com Website is acknowledgment and agreement that the photographic events in which media are displayed and accessed by event group or organizations (fall picture day, spring picture day, team, sport, league, graduation hand-shake, etc.),

any customers who legally belong to the event group and organization would be able to view and order products from ALL media made available by Bristol Photography Inc. on the Website.
